EDUCATION

MVP's RSM Polytechnic Nashik

Diploma in Engineering
(Information Technology)
(2021-2024)

SUMMARY

My expertise includes implementing design mockups into functional web pages, optimizing performance, and enhancing user experience through intuitive UI/UX design principles.

WORK EXPERIENCE

Ex-Intern at Trimatix Solutions

- As a former intern at Trimatix Solutions, I honed my skills in HTML, CSS, and JavaScript, contributing to projects that enhanced user experience and functionality

SKILLS

Front-End Designing

UI UX Designing

PROJECTS

- Revamped the JBL website with a fresh, contemporary look, focusing on user-centric design, improved accessibility, and seamless integration of multimedia content.
